RESOLUTION OF ZONING ORDINANCE AMENDMENT RECOMMENDATION

WHEREAS, the Common Council of the City of Fort Wayne, Indiana, on January 24, 1989 referred a proposed zoning map amendment to the City Plan Commission which proposed ordinance was designated Bill No. Z-89-01-23; and

WHEREAS, the required notice of public hearing on such proposed ordinance has been published as required by law; and,

WHEREAS, the City Plan Commission conducted a public hearing on such proposed ordinance on January 23, 1989.

NOW THEREFORE, BE IT RESOLVED that the City Plan Commission does hereby recommend that this ordinance be returned to the Common Council with a DO PASS recommendation based on the Commission's following "Findings of Fact":

(1) the grant will not be injurious to the public health, safety, morals, and general welfare of the community;

(2) the use or value of the area adjacent to the property included in the rezoning will not be affected in a substantially adverse manner;

(3) the need for the rezoning arises from some condition peculiar to the property involved and the condition is not due to the general conditions of the neighborhood;

(4) the strict application of the terms of the zoning ordinance will constitute an unusual and unnecessary hardship if applied to the property for which the rezoning is sought; and,

(5) the grant does not interfere substantially with the comprehensive plan adopted under the 500 series of the metropolitan development law.

BE IT FURTHER RESOLVED that the Secretary is hereby directed to present a copy of this resolution to the Common Council at its next regular meeting.

This is to certify that the above is a true and exact copy of a resoluton adopted at the meeting of the Fort Wayne City Plan Commission held January 30, 1989.

Certified and signed this
31st day of January 1989.

Discussion (Including relationship to other Council actions)

23 January 1989 - Public Hearing

Jean Lahrman, 3311 Argyle Drive, President of the Village Green Neighborhood Association stated that the petition to rezone was an official act that had been taken by the Association. This area which includes Lots 1 through 101 in Village Woods Place Addition and Lots 4 through 14 in Mesa Meadows Addition, a total land area of 23.4 acres is comprised of 112 residences, 99 of the homeowners signed the petition to rezone. She stated that the purpose of the petition is to allow for only single family use in the area. She stated that granting the rezoning of the area will also provide them protection against any misuse which could possibly undermine the integrity of the area.

Doug Wagner, 3214 Norma Court appeared before the Commission to support the petition.

There was no one else who wished to speak in favor of or in opposition to the proposed rezoning.
